What tools do you have?

How do you prioritize the necessary tasks of a job?

How have you demonstrated safe work practices in your former job(s)?

Tell me about one of the biggest roadblocks you have encountered during a project. How did you resolve it?

How do you work in a team setting?

Give me an example of a time when you had little or no direction in solving an issue. What happened? What did you do? What was the outcome?

How do you feel reporting to a supervisor that is different than you?

Where do you see yourself in 1 year? 5 years?
